

Bringing Business
To Your Doorstep

Quick Call Pro

WANT TO REACH YOUR CUSTOMERS?
NOW YOU CAN EASILY SEND BROADCAST
MESSAGES TO RECIPIENTS IN MINUTES,
WITH QUICK CALL PRO!

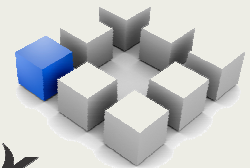

Quick Call Pro allows you to manage event planning like never before. Using the warmth of the human voice and the speed and precision of electronic communication, this easy to use tool allows you to send a personalized message to a

targeted group of your customer base within minutes.

Quick Call Pro is the finest high-capacity voice broadcast system in the country, ready at a moment's notice to send out a voice broadcast for any reason to any number of recipients. Our easy to use Web Interface allows you to quickly and easily upload information from your DMS to reach your targeted market days ahead of more traditional advertising medias. Quick Call Pro requires virtually no manpower to operate, yet can do the work of hundreds of volunteers or employees.

- See immediate results!
- Reach your customers days ahead of your competition!
- Save money & time!
- Reach out to thousands, or just a few!
- Personal and effective!
